TIMELINE NOTES

*Drive to afterparty and drop off Rachel, Clara, and Sophie's cars (make sure you have your sleeping stuff if you are crashing at afterparty that night).

Isabel and Sophie arrange brunch (also pick up a bouquet of roses) and come back to Miracle Hair Studio by 10am.

**Jiml (Phoebe's BF) will take Clara and Rachel from Churchy McChurch to the Reception, and Jim (groomsman) & Deborah (GF) will take Isabel and Sophie.

***After some of the pictures at the Reception, you will have to help me bustle my dress! I'll make sure to show you all how to do it before the wedding sometime.

***We are not going to have the bridal party enter the reception, it will just be the newlyweds before the first dance.

****Carpool from Reception to Afterparty (with Mitchel, Jim, Phoebe, etc.) or schedule an Uber.

BRIDESMAID-SPECIFIC NOTES

Isabel

*You are in charge of brunch for all of us! (Sophie is your helper) Can you also please pick up a bouquet of roses and a bottle of water for a quick prayer to Mary before mass?
Bring the bouquet, bottle of water, & vase in the limo
You will leave your car at Groom's house before we leave for the wedding, and Sophie can drop you off at Groom's house the next morning*

Sophie

*You will be Isabel's helper in getting brunch, and you are in charge of Starbucks!
During the mass, you are going to walk up last in the bridal procession. Can you adjust my veil and train throughout the mass?*

Rachel

*In the morning, can you be in charge of taking photos of us getting ready? And any other shenanigans you can think of. You can also get Clara to help you.
When we get to the church, can you bring the bouquet for the dedication to Mary (it should be with our bouquets from the flower shop) up to our front pew before the procession? And when you do that, you can let the priests and Groom know that we are ready to begin the mass.
At some point, you will be signing our marriage license as our witness (yay!). I am not sure when that will be just yet.*

Clara

*In the morning, help Rachel take photos of us getting ready.
After mass, you and Phoebe will be handing out Prayer Cards and Bubbles in the back of the church. On the way to the Reception, can you please stop at Groom's house to drop off the prayer cards and bubbles? The passcode is 1234, and make sure to lock the door when you leave.
You will also hold my bride emergency kit with my phone and other things throughout the day (like mints, etc.).*

Phoebe

*After mass, you and Clara will be handing out Prayer Cards and Bubbles in the back of the church. On the way to the Reception, can you please stop at Groom's house to drop off the prayer cards and bubbles? The passcode is 1234, and make sure to lock the door when you leave.
At the end of the wedding, can you please take the baskets of favors & sign, the bathroom baskets and signs, and any leftover museum scavenger hunt papers with you?*

YOU ARE ALL AMAZING! THANK YOU FOR EVERYTHING.
